

Half Term Holiday Challenge:

Reading - Your half term reading challenge is to find an unusual place to read a book and get a grown-up to take a picture of you reading there. Then write a book review about the book you read. There will be book vouchers to the winners!

Maths - Think about as many ways as you can over the week of how you have used your maths skills in real life. Record these and present them in an interesting way.

Time Tables Rock stars - Use Times Tables Rock stars as much as you can over the week!

This is a competition and we will be revealing the results when we return to school. Who will complete the most quizzes? Who will make the most progress? How quick can you answer the questions?

English - Please design or create your own Mythical beast which will appear in your next story. Draw your beast and label it with its features.
