Barriers to future attainment to for pupil premium pupils

In-school barriers
Poor speech and language – lack of correct grammatical constructions / rich vocabulary Poor fine motor skills Management of feelings and behaviour – social communication Difficulties blending to read Segmenting to spell Orientation of number Number sense
External barriers
Parental engagement with reading and homework Poor home learning environment – lack of talking to children using a good language model Lack of rich and varied experiences

Desired outcomes		
A	Develop communication and language through reading	Achieving age expectation at reading – 85% of PP children
B	Enhance reading opportunities in school and at home	Improved inference and fluency applied to writing – 100% of pupils make progress on accelerated reader tests
C	Enhance parental engagement and improve attendance	Pupils and parents understand the importance of home learning especially reading and attending school - PP children in line with national attendance
D	Enhance fine motor skills and spelling through daily multi-sensory sessions	Fluent spellings and handwriting transferred to writing
F	To manage school routines and react appropriately	All PP children self-regulate enough to engage in learning
G	To be able to blend and segment to write and read	Achieve age appropriate on the accelerated reader – early star literacy
H	To enhance number sense / support needed for abstract recording	Achieve age appropriate maths outcomes

I	To develop a love of writing especially boys – ambitious school leaders project	Diminish the gap between boys and girls writing by 15% Currently Year 3 – 35%
