Hi Year R,

I am Miss Hawkins and I am thrilled to be your teacher next year in Snail Class and starting at Highbury with you all. Year R is going to be full of so many new experiences for all of us.

I am thrilled to have you in my class and cannot wait to learn all about you but first, I thought I would tell you a little bit about myself, and also our teaching assistant for the year - Mrs Ricketts. I have taught Year R before so I have plenty of knowledge and experience to help you along your own learning journey. Mrs Ricketts was part of the Nursery team for 19 years and taught in Year R last year so she also has lots of knowledge and experience to support you in your learning. Here are a few of our favourite things:

Miss Hawkins spending time with my family and friends, reading a good book or watching an exciting film.

Mrs Ricketts loves the outdoor environment, spending lots of her spare time walking with her dog Willow and seeing many different sights.

What are some of your favourite things? Are they the same as ours? Besides being teachers, we also have other interesting facts you might like to know. Did you know that when Miss Hawkins was younger she danced for England and won first place! Did you know, Mrs Ricketts has climbed to the top of Mount Snowdon and once won a slalom race in Austria? I wonder if you have an interesting fact, you could share with us? We are looking forward to hearing all about your favourite things and interesting facts when we meet again on Thursday 15th July.

We are really looking forward to teaching you in September for lots of exciting learning and fun adventures! We hope you have an amazing summer holiday!

Best wishes from
Miss Hawkins and Mrs Ricketts
