Monday 12th July 2021

Hi Year 4,

I am Mr Magnus and I am so excited to be your teacher in Parks Class. Year 4 is full of so many new experiences for all of us and we will be exploring a range of new topics throughout the year!

We are thrilled to have you in our class and cannot wait to learn more about you, but first, I thought I would tell you a little bit more about myself and also our teaching assistant for the year Miss Houghton. I have been working at Highbury for many years and Miss Houghton has worked a few years at Highbury. We both taught in Year 4 last year so we have plenty of knowledge and experience to help you along with your learning journey in Year 4.

Here are a few of our favourite things:

Mr Magnus enjoys travelling to different places and playing golf.

Miss Houghton enjoys spending time with her children and going for long walks.

What are some of your favourite things? Are they the same as ours? Besides being teachers, we also have other interesting facts you might like to know. Did you know, Mr Magnus was part of a carnival procession in Antigua and when he was at school, he represented Hampshire in playing squash and Miss Houghton used to be a cake decorator? I wonder if you have an interesting fact, you could share with us? We are looking forward to hearing all about your favourite things and interesting facts when we meet again on Thursday 15th July.

We are already looking forward to welcoming you back to Highbury Primary in September for lots of learning, fun and adventures! We hope you have an amazing summer holiday!

Best wishes from
Mr Magnus and Miss Houghton

Proud to be part of the UNIVERSITY OF CHICHESTER ACADEMY TRUST
