Monday 12<sup>th</sup> July 2021

Hi Year 4,

We are Mrs Reese, Mrs Boulton and Miss Gregory and we are excited to be your teachers next year in Hawking Class. Year 4 is going to be full of so many new exciting experiences with interesting topics.

We are thrilled to have you in our class and cannot wait to learn all about you but first, we thought we would tell you a little bit about us. We have both been teaching for quite a few years now so we have plenty of knowledge and experience to help you along with your learning journey. Here are a few of our favourite things:

Mrs Reese's favourite things are her children, sailing and going to the beach.

Mrs Boulton's favourite things are gardening, walking, sewing and she loves reading.

Miss Gregory enjoys going to the beach and having fish and chips by the sea.

What are some of your favourite things? Are they the same as ours? Besides being teachers, we also have other interesting facts you might like to know. Did you know, Mrs Reese studied dinosaurs at university and was part of the first GB American football team? Also, we bet you did not know that Mrs Boulton is half Croatian and visits her family each year and has visited tropical rainforests in Cuba and Malaysia? Did you know Miss Gregory loves to take walks in the woods and cosy up watching movies with popcorn and chocolate? We wonder if you have an interesting fact, you could share with all of us? We are looking forward to hearing all about your favourite things and interesting facts when we meet again on Thursday 15<sup>th</sup> July.

We are already looking forward to welcoming you back to Highbury Primary in September for lots of learning, fun and adventures! We hope you have an amazing summer holiday!

Best wishes from  
Mrs Reese, Mrs Boulton and Miss Gregory

Proud to be part of the UNIVERSITY OF CHICHESTER ACADEMY TRUST
