

## Highbury Primary School 2023- 2024

### Sports Premium Strategy

‘Valued as Individuals, Inspired and Nurtured as Learners’

At Highbury the intention of the Physical Education curriculum is to equip the children to have the tools to lead a healthy and active lifestyle. To do this Highbury deliver a balanced P.E curriculum that engages children in physical activity. Children will have the opportunity to engage in a variety of sports throughout their time at Highbury. Children from all backgrounds including disadvantaged should have the same opportunities using our school values to promote positive attitudes to learning and developing a growth mind set for all.

The school will plan for sustained improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
