

Family Voucher scheme

Funded through the Household Support Fund, the Family Voucher scheme was launched on Wednesday 27th September and eligible families that didn't qualify for a supermarket voucher from their school last term (i.e. between June and September) can now apply for a £70 supermarket voucher per eligible child. This includes any families with eligible children who have just started in Reception (or other year groups) who did not register for free school meals (FSM) in time to receive a voucher from school last term. In order to qualify, total household earned income, in the month before applying, needs to be £1,350 or less. Families can find out more information and how to apply at,
